3 Conditions

- 3.1 These terms and conditions shall apply to the exclusion of any standard terms or conditions of the Customer, whether appearing in an order or in any other document issued by the Customer and notwithstanding any statement to the contrary appearing in such standard terms or conditions. A binding contract shall not come into existence between Logicalis and the Customer unless and until Logicalis issues a written order acknowledgement to the Customer, the parties sign a SOW or Logicalis delivers the Goods or supplies the Services to the Customer (whichever occurs earlier).
- 4.2 Subject to clause 34, no order which has been acknowledged by Logicalis may be cancelled by the Customer, except with the agreement in writing of Logicalis and provided that the Customer indemnifies Logicalis in full against all loss (including loss of profit), costs (including the cost of all labour and materials used), damages, charges and expenses incurred by Logicalis as a result of cancellation.

of England base rate per month, or at the maximum late payment charge permitted by applicable law, whichever is less, on any unpaid amount. The Customer's obligation to pay the Charges is not dependent on the Deliverables meeting any acceptance criteria stated in the SOW. Time of payment is of the essence of this Agreement.

- 5.2 Where the order includes both Goods and Services the Agreement shall be deemed to be a separate agreement for the supply of Goods and the Supply of Services. - 5.7 Logicalis' fees and charges are exclusive of any and all taxes (other than taxes on Logicalis' net income), duties, charges, levies and assessments imposed on the purchase, carriage or import of the products all of which shall be payable by the Customer.

- 6.8 Subject to clause 6.1, and save in respect of its own negligence or wilful default Logicalis will have no liability in respect of Third Party Services or for the acts or omissions of Third Party Service Providers.
